

Maths

The focus of our Maths learning this term will be fractions and decimals. The skills we will learn include comparing and ordering fractions, converting mixed numbers and improper fractions and calculating with fractions. We will be reading and writing decimal numbers as fractions and recognising and using tenths, hundredths and thousandths. The class will also practise rounding and ordering decimal numbers. Alongside this learning we will continue to practise and improve our times table and written arithmetic skills.

Religious Education-

This term we will look at the theme of moral choices. Croft Class will explore the Ten Commandments in Comparison with Humanism and the Golden Rules.

 **MFL** - This term we will be learning French and developing our knowledge of everyday vocabulary and simple phrases.

Art/Technology -

Our exciting DT focus will be creating a Greek Feast. The class will research, plan and make Greek food. This will include creating a healthy balanced menu .

CROFT

Spring 2 2019

Topic- Ancient Greece

Our Science focus this half term is Animals including Humans. The class will study the human life cycle, growth, development, puberty and old age. Through investigations and experiments we will identify the types of nutrition animals need and also the role and structure of our skeletons and muscles.

PE - Our PE focus this half term will be team games including football, netball and tag rugby

Collective Worship -

Our Value this half term is Justice. We will explore treating people fairly making wise decisions and keeping rules.

FRIENDSHIP, HONESTY, FAIRNESS

TRUST, LOVE, STEWARDSHIP

English

This half term we will be exploring Myths and Legends linked to our Ancient Greece Topic. The children will be reading The Odyssey adapted by Robin Lister alongside lots of other exciting stories. They will create their own heroes, heroines and mythical beasts as they craft their very own myth. We will be working hard to apply the new grammar and punctuation skills we have learnt this year so far to make our writing even better.

History

As part of our topic Ancient Greece we will be exploring the fascinating world of Greek democracy linking it to our modern day British Values. We will also be investigating the birth of the Olympic games through studying historical sources and artefacts such as vases.

Computing

Croft class will practise their programming skills this half term by learning to use 'Scratch'. The children will create mini games and experience using code to personalise their creations.
