This is an opportunity for children who are members of a</p>

				small school to compete against peers of a similar age group.
Travel to and from sporting events	£750	£750	To reduce and eliminate the travel costs for children to engage in sporting activities as representatives of the academies.	Transport was able to be provided to allow children to attend events at no cost to parents which would have possibly been a prohibiting factor.
The employment of a Sports Champion across the Hub.	£3553	£3553	To enhance the quality of teaching in lessons to all children. Teaching staff with whom the sports champions are working are developing their own skills in teaching P.E alongside the sports champion. It also enables staff to organise smaller sized group modified games or to provide an alternative activity, such as half the class on the field developing their skills and playing football or rounders and the other half developing their skills and playing netball or cricket. Alternatively, through the Sports Champion we are able to target support specific children to develop their physical literacy.	Children more enthusiastic to take part and participate in a more focused way. Children able to learn more about each game due to smaller sized groups. Children will special educational needs better able to access PE due to smaller groupings. Teachers more confident about that specific PE subject area so delivering high quality PE lessons. Through slight rearrangement of hours, the sports champion was also able to be at the school in the morning twice a week, setting up activities for the children to be active before school. Through role-modelling this, the rest of the staff and older children also set up activities on the days which the Sports champion was not in school, ensuring children had early morning access to exercise, daily.
