Home Learning

Dear Parents,

Home learning project

To all the new parents, welcome to Start Point class! And to Year 1 parents, welcome back! It is lovely to see you all again.

EYFS

In EYFS we have dinosaurs to represent the characteristics of effective learning. For home learning Reception children are asked to make a dinosaur. You could paint a picture or create a model, it is up to you! You have until half term to make your creations. I look forward to seeing them!

We have had a brilliant first week of school! The new reception children have settled in so well, adjusting to the routines of school and having lots of fun with their new friends. We have spent the week exploring the classroom and getting to know each other. Year 1 have stepped up to being the oldest and have been fantastic at showing the younger children what to do and setting an excellent example. We have all done some brilliant learning this week, starting our science topic of Everyday Materials as well as finding the beat in music and looking at our local artist Brian Pollard in art. We also made apple and blackberry crumble with fruit we had collected from our adventure playground and on our walk. What a fun and busy week!

Year 1

This term in History we are studying Sir Francis Drake. For home learning Year 1s are asked to make a ship. You could paint a picture or create a model, it is up to you! You have until half term to make your creations. I look forward to seeing them!

We can't wait for the year ahead.

Have a great weekend, Mrs Brown

Star of the Week – The new reception children have all been stars this week! They have settled in brilliantly; playing nicely, listening and adjusting to school life brilliantly!

TAG

Tag – Year 1's have been excellent 'helposaurus' this week, helping the new children to settle in.

Important information

School Meals

Please remember to pre-book your child's school lunches each week. You can book for each week right up to half term. We have a three week rolling menu to choose from. If you are having any problems using School Money, please do not hesitate to contact Mrs Jeffery in the Academy office.
