## Friday 18<sup>th</sup> September 2020

Home Learning

Dear Parents,

We've had a great week in Start Point class!

### Reading rewards

All children have come home today with a book and a new reading diary. Reading at home reinforces the phonics we have learnt in school and develops a love of reading. Please mark in the reading diary to show when your child has read at home.

All children have their own reading bookmark where they can collect stickers for reading at home. If children read 3 times at home from Friday to the following Friday, a sticker is added to their bookmark. When they have gained 3 stickers, they can pick a small prize!

We have got truly stuck into our learning this week!

Reception started their Read Write Inc phonics lessons and learnt their first 3 sounds, 'a' 'm' and 's'. They have taken to it with ease and have loved learning a new sound every day. We have also played lots of games to help us remember our new sounds, some in our outside area and some with our very naughty frog, Fred!

Year 1 have impressed me so much with their attitude to learning. They have also started phonics again and have done so well remembering the sounds and working well with their partners. They have got stuck into a variety of maths problems as we explored sorting objects and representing numbers to 10. We also started our History topic, finding out all about Sir Francis Drake and did some brilliant art with Mrs Burwell. What a busy and fun week!

We can't wait for next week!

Have a great weekend,

Mrs Brown

### **Star of the Week**

**Oliver** is our star of the week as he has shown an excellent attitude to learning, trying his very best every lesson.

### **Tag**

**Clark** is our solvesaurus rex as he has worked hard to solve a tricky challenge set for him.

### Attendance

Our attendance last week was:  
96%

Let's see if we can improve on this for next week!
