Start Point Weekly Newsletter

Friday 2nd October 2020

Dear Parents,

What a great week!

We started our week by exploring belonging to different groups in R.E We talked about how we belong to our family and loved sharing what our family looked like. Some of us had lots of siblings and pets, some of us had none at all! We talked about how we belong to our class family and our school family and looked at the symbols for these groups. We then looked at some religious groups and their symbols, looking at the Hindu aum symbol, the Muslim moon and a star and a Christian cross. . Both Reception and Year 1 have impressed me so much with their exploration of different religions!

We are loving pirates in Start Point at the moment! Our inside home corner has moved to our home shed outside and we now have a pirate ship in the class! We have loved learning all about Sir Francis Drake, looking at where in the world he sailed and all the adventures he got up to. We can't wait to learn more.

We have been doing some fantastic maths this week! Reception have been looking at 0 and 1 in depth, joining in with 'One finger, one thumb', finding one of something and trying not to get tricked when told to do zero jumps! Year 1 have been comparing numbers with the help of Numberblocks Blockzilla, and later in the week, ordering numbers. They have been great mathematicians.

We can't wait for next week!

Google classroom

All Year 1 children have been shown how to access our class on Google Classroom. For home learning this week I would like Year 1 to write something they have done over the weekend on the main page. I look forward to seeing it on our class page!

P.E kit

Children can now come to school in their P.E kit ready for their lesson at 9am. Children must bring their school uniform in a named bag to change back into after our lesson.

School Meals

A BIG "Thank you" to all our parents who have ordered their children's lunches online. If you haven't ordered your child's lunch please could you order them over the weekend. The menu's are available up to half term. Please contact the office on 01548 531275 if you are having any difficulties ordering.

Holly is our star this week for trying so hard with her reading. Well done Holly!

TAG

Rocco is our Tryatops this week for trying so hard with his phonics

Values Award

Nelly shows our value of love by being so kind and considerate to everyone in the class

Attendance

Our attendance last week was:
96%
Let's see if we can improve on this for next week!
