Start Point Weekly Newsletter

Friday 9th October 2020

Dear Parents,

What a busy week!

Google classroom

Thank you to all those that have logged on to Google Classroom and left a comment on the thread. If you have not logged in, can you do so this week so I know all children can access it. Details to login are in the front of each child's reading diary.

Home learning

This term we are learning all about Sir Francis Drake! For home learning this term I would like children to make a pirate ship to add to our display. It could be a painting or a junk model, the choice is yours. I look forward to seeing some great pirate ships!

School Meals

A BIG "Thank you" to all our parents who have ordered their children's lunches online. If you haven't ordered your child's lunch please could you order them over the weekend. The menu's are available up to half term. Please contact the office on 01548 531275 if you are having any difficulties ordering.

We are working so hard in our art lessons with Mrs Burwell! We have learnt so much about Brian Pollard and Year 1 are now coming up to their final piece. They have focused on painting block landscapes as well as small details such as hot air balloons and people, using shapes to help. Reception children also had a go at painting this week, creating some lovely landscape pictures.

In R.E we explored how babies were welcomed into a Christian family. We talked about how special it is when babies were born before talking about what happens when a baby is welcomed into the church. We watched a video showing everything that happens at a Baptism before acting out our own. We learnt all about the font, the Holy water and the role of the Godparents.

We are loving our P.E lessons with Miss Steere on a Monday. This term we are catching up with our athletics skills that we missed in the summer, learning about different ways of moving, balancing and playing some chasing games. This week we played Granny's footsteps, using our balance to freeze and stay still when 'Granny' turned around.

We can't wait for next week!

Have a great weekend,
Mrs Brown

Juniper is our star this week for having such a fantastic week! Well done Juniper!

TAG

Maxwell is our thinkodocus this week for excellent maths learning!

Values Award

Valerie shows our value of stewardship by being so helpful around the class.

Attendance

Our attendance last week was:
100%

WOW! Well done Start Point
