

PE & SPORTS GRANT INFORMATION 2020/21

PE & Sports Grant Information	
Academy	Charleton C of E Academy
PE & Sports Grant Allocation September 2020 – August 2021	£16,690

Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTI ON	IMPACT SOUGHT	OUTCOME OF FUNDING AS AT 31/08/2021
Engagement with Spires College to offer Specialist PE support for Teachers.	£3790.80	£3,790.80	<p>To develop subject knowledge for teaching staff on the delivery of high quality PE lessons.</p> <p>Children to experience PE specialist to further develop their physical literacy and skill - building into sports games.</p> <p>Engage, enthuse and spark interest for children in PE and to further engage them in sports clubs outside of school.</p>	<p>Using an incremental coaching model specialist PE teachers have supported the development of class teachers in PE specific pedagogy and subject knowledge.</p> <p>Pupil conference shows pupils enjoy PE, are able to explain the skills they have learnt and are enthusiastic about PE lessons.</p> <p>Many pupils engage in sports clubs in school and outside of school including football, rugby, sailing, dance, horse riding and canoeing. (some restrictions due to pandemic)</p>
Forest School provision	£3600	£3,600	<p>Children get to problem solve, develop teamwork and learn to take part in outdoor and adventurous activity challenges both individually and within a team.</p> <p>Children develop a love for being outdoors which will stay with them long beyond participation in team sports is an option for them in later life.</p>	<p>Pupils consistently report that Forest school is a highlight of their school experience. They develop teamwork skills, awareness of risk and safety, resilience and problem solving in addition to building their fine and gross motor skills</p>

Additional targeted Forest School Provision	£2000	£2000	<p>Small groups of children get to problem solve, develop teamwork and learn to take part in outdoor and adventurous activity challenges both individually and within a team.</p> <p>Children develop a love for being outdoors which will stay with them long beyond participation in team sports is an option for them in later life.</p>	<p>Despite lockdown, all children, including those in the nursery, have had the opportunity to develop their own risk assessing skills in a controlled environment. Children develop empathy for the natural world and nurture a love of being outdoors which will last them into adulthood. Children have developed physical fitness, balance and well being by being exposed to the elements in a controlled and safe environment. They have been able to explore the outdoors in the sense of their physical fitness and now understand how the outdoors can be used safely in the future. These sessions have contributed to their mental well being, particularly post-lockdown</p>
After School Clubs	£2500	£2500	<p>Further develop opportunities for children to engage in sports outside of school time.</p> <p>Range of clubs offered - including sports that children may not be able to engage in within the local area (e.g. yoga).</p>	<p>After school and lunchtime clubs offered by external provider.</p> <p>Due to COVID restrictions on bubbles and the impact that this had on the staff workforce, clubs were limited this year. Some of this money was diverted to being used during the school day to allow</p>

			<p>Increased opportunities for PE/Sport and afterschool will give increased opportunities for children to develop their health and fitness</p>	<p>children to participate in sports which the children may not usually experience i.e. Archery, softball etc These sessions were also targeted to areas in which some children struggled after returning after lockdown i.e. playing fairly, sportsmanship and settling disputes.</p>
Supporting children to lead Healthy Lifestyles:	£1000	£1000	<p>Increased opportunities for PE/Sport at lunchtimes and afterschool will give increased opportunities for children to develop their health and fitness</p> <p>Games lessons – include SMSC development through teaching of: fair-play, co-operation, competition, respect.</p> <p>The new curriculum clearly identifies areas which support children to lead healthy lifestyles, that is to be mentally and physically healthy. All children start the year with a topic focus on their mental and physical health. This includes learning about mental wellbeing and learning about the whole package of staying healthy, i.e. healthy eating and good lifestyle choices - not smoking and dangers of alcohol/drugs</p> <p>All children will have opportunities to learn age appropriate cooking skills which will enable them to stay fit and healthy throughout their lives.</p>	<p>Successful rollout of RHE curriculum including staff CPD and parent information and workshops.</p>

Ivybridge Community College link	£45	£45	To strengthen the link between the local school community and enable children to engage in a range of competitive sports.	Not possible to travel due to Covid 19 but school and families have engaged with virtual school games competitions.
Travel to and from sporting events	£500	£500	To reduce and eliminate the travel costs for children to engage in sporting activities as representatives of the academies.	Not possible to travel due to Covid 19 but school and families have engaged with virtual school games competitions.
Swimming	£500	£500	Transport to and from the pool. Extra sessions for KS2 children to ensure they meet the curriculum requirements	Due to COVID restrictions, we were unable to participate this academic year.
Resources	£2755	£2755	To leave a lasting legacy for PE. Pupils to enjoy their PE lessons. To improve their confidence and their physical and emotional wellbeing. To learn new skills.	New resources funded. Children are able to stay active in free play periods as well as during PE lessons due to the quality of resources available. Each bubble has had access to their own basket of sports equipment at break times. (regularly cleaned!) Children have, with the support of staff experienced hockey, tennis, football, netball and made up their own games. This has helped to ensure that their fitness has been maintained even though they have not had access to the range of normal activities during this time.
