

7th January 2022

Dear Families,

We are very pleased and excited to inform you that Forest School sessions will start for your child in Nursery and Start Point next week. These sessions will take place on a Wednesday every other week, starting on 12th January. Beesands Nursery will have a Forest School session in the morning with Start Point class having an afternoon session. We recognise the many personal benefits that can be gained from engaging in learning in the outdoors and feel that Forest Schools is a perfect way to promote these, whilst also learning about the importance of our local environment.

To ensure your child is prepared for their Forest School session, please send them into school with a change of clothes and shoes suitable for wearing outside. These are likely to get a little messy so please avoid anything that is new or favoured. Suitable footwear is particularly important. Children will change for their session in the Academy.

Pete Moore from 'Forest and Beach' will be leading our Forest School sessions and will be planning the package of activities available to children at Charleton C of E Academy. Forest School sessions also complement and enhance the curriculum offered in class.

All activities will be completed on site or in our very local area. Should you have any questions, please don't hesitate to get in touch.

Yours sincerely

Miss Coombe
Head of Academy
