**Let's
get
busy!**

Half term is the perfect time to get out and about. We are lucky to live so near to many beaches, rivers and open spaces that lots of entertainment is totally free! Fresh air keeps us healthy and stops our little ones getting restless. Get out and explore the South Hams. If your children would like to draw a picture of what they did in half term, I will be giving out colouring books for the most creative. I want to hear about how many creatures you found and which beach is best. I will pick the brightest and most cheerful picture from each year group and post them on our next newsletter.

Have a great week and see you soon!

Natasha Ive
