

Start Point Class

Weekly Newsletter
Friday 1st April 2022

Dear all,

You can access a range of ebooks linked to our RWInc sessions and lots of other fabulous stories by logging onto **Oxford Owl for Home!**

It is free to access all of the books, and there are also loads of different activities you could try at home too!

I'd love to see how you get on - feel free to share any photos or videos!

Year 1 Maths: Explore Numbots and have a go at a couple of games...I wonder what your score will be!

There was so much excitement this week as Start Point class boarded the coach for their school trip to Buckfast Abbey! Our children had a fantastic day exploring the Abbey and learning all about Easter through crafts and stories. A real highlight was seeing the beautiful stained-glass windows in the Abbey, we were keen to make our own stained-glass windows as soon as we returned to school.

This Week in Start Point

EYFS

In Maths this week, we have loved exploring more length and height! The children have been constructing some intricate towers, carefully balanced to ensure they reach higher and higher! We explored tape measures, non-standard units of measurement and rulers. We even made our own rulers together!

In PE with Miss Worden this week, we applied our throwing skills to several different games, including pot of gold which really brought out our competitive sides! We loved using a range of balls to practise throwing and catching with a bounce in-between. I was blown away with the children's progress in a few short weeks.

Year 1

As mathematicians in Year 1 we whizzed through our Length and Height block of learning! I have been so impressed with the children's articulation of their understanding and excitement to go out and about and measure EVERYTHING they could find! Next week we will be starting our unit exploring Weight and Volume.

As Historians we have been rounding up our learning about the Royal Family by planning a party for the Queen's Platinum Jubilee. The children had some fantastic ideas for the party including lots of cake and bunting!

Have a wonderful weekend!

Mrs Carter and Miss Coombe

Star of the Week!

Star of the Week

Juniper – for always stopping and tidying up when asked

Values Award

Rocco – for being caring and kind towards the other children

Attendance

Our attendance target is 98%
Last weeks attendance was 97%
