Reading

Please encourage the children to bring their reading records to school. It is wonderful to see which books they are reading and to share their favourite characters and stories with them.

White Rose Maths

For your information, White Rose have released a series of videos with Michael Underwood which are extremely useful for parents. The videos are only 5 minutes long and come with a guide alongside.

Times Tables

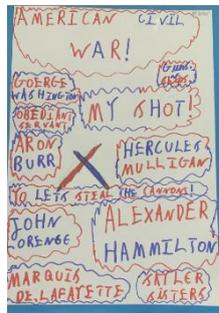

The class of Croft have logins and passwords to enable them to practise Times Tables Rockstars and Numbots at home. Please encourage this as much as possible. Memorising times tables makes it far quicker and easier for children to work out maths problems in their heads. Moving beyond using their fingers to work out answers, they'll gradually be able to use their knowledge to quickly solve any multiplication questions.

Dear all,

What a week, the Year 6 children have been amazing. I am so impressed with their focus and determination. Well done!

This Week in Croft

This week has been the SATs week and we have started every morning with a hearty breakfast, which was a joyful, social way to start the day. Year 6 were able to choose what they wanted as is the tradition and enjoyed: waffles, pancakes, toast and crumpets. Well sustained they went on to complete their tests. Their fortitude was inspiring and they all did so well.

The Year 5s conducted a project during this week. They were able to choose any topic that they liked and had to research it thoroughly and present their work in their very own project books. We had some fascinating themes, such as the American war of independence, ancient food, dogs and football. The children had to link their chosen subject

to different areas of the curriculum so they might choose to write a story for English, invent a game for P.E or write a report for History. They have also made the most of the good weather to spend time in the Adventure playground.

We had a fantastic first session at Forest School in the Adventure area. It seems so long ago that we last enjoyed these lessons. The children were thrilled to be back outside and it was such a welcome treat after a week of very hard work. A lovely time to relax and just be.

Have a wonderful weekend

Miss Wright

Star of the Week!

Star of the Week

Dexter Ting for his fabulous independent learning

For friendship **Jack Durdey** for being supportive to all his fellow classmates during SATs week

EVERYday
counts
attendance matters

Attendance

Our attendance target is 98%

Last week's attendance was 98%

Well done Croft!

Dates for your Diary

Monday 16th May – Whole School and Year 6 Photos
Thursday 26th May – Jubilee Lunch – Please see letter attached
Monday 30th May – Friday 4th June – Half Term
Monday 6th June – Additional Bank Holiday
Tuesday 7th June – INSET Day
Friday 22nd July – End of the Year
