Beesands Newsletter
Friday 17th June 2022

Dear Families

The children have been having a great time exploring the outdoor areas; learning to play rounders, playing football with Mrs Sanders in goal and generally enjoying the better weather to play in the adventure playground and hone their climbing and balance skills.

We have some new Early Years PE equipment arriving, so will be exploring batting, ball games, throwing and catching and much more over the coming weeks.

Mrs Butterworth has planted sunflower seeds with the children and we will be measuring their progress with the metre stick. The children have been very creative and are all mastering use of the tripod grip to write their names. Even our smallest children can form at least one legible letter of their name, they are so brilliant. Thank you to Osgar and Noah who have been making a pencil holder for our table.

Please remember to put sunscreen on your children as we are going out regularly in the sunshine. If you feel they will need a top-up please send their sunscreen in and we can supervise them putting it on.

We have an opportunity to go to Beesands beach for the whole school trip on 6th July and will need the children to be transported there by parents and carers and 3 adults to help us on the day. There will be a letter home shortly, but please let us know if you are able to help.

Your children continue to delight us daily with their anecdotes and laughter, and are learning so much as they play.

Best wishes

Mrs Sanders and Mrs Butterworth.
