Weekly Newsletter

Friday 24th July 2022

Home Learning:

Home learning consists of reading Maths and curriculum themed projects.

Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers with a love of books. Your support with reading is essential. This week your child will be bringing home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

Play

Letters for costumes will be coming out next week, if we could have them in school by Friday 16th July

If you have any cardboard boxes for scenery we would appreciate them as well

Dear all,

I hope you have all had a lovely week!

Another lovely week of sunshine for us!

Last Friday we really enjoyed our welly walk down the marsh with Croft. Even though the tide was in we were still able to see the beautiful views from the bird hide. We found a great spot of shade to sit in and look at the nature. Mrs Norton also set up a treasure hunt, there were 8 parts of nature that we had to find!

In RE this week we have been thinking about how the Church is a sacred place to Christians and why it is so sacred. We talked about what we see when we go to Church and what we think these would be used for. Using our senses we thought about what the most peaceful part of a Church might be and why, we decided there were lots of peaceful parts and we find it very relaxing going to Church.

In History this week we learnt all about the Greek Gods and Goddesses, we learnt the names of the main 12 ones and placed them on a family tree. We learnt how the Ancient Greeks believed that they lived on Mount Olympus in a castle, and they celebrated them through different festivals including the Olympics. We like how Zeus had a special power to throw thunder at people!

In Science this week Year 2 were camouflaging Butterflies in the classroom, they had to hide Butterflies in Start Point classroom with some masking tape and colouring pencils, and they then discussed which camouflage was the most effective. Year 7/4 were learning about how different rocks are formed including Sedimentary, Igenous and Metamorphic.

Have a lovely weekend.

Miss Alen

Star of the Week!

Star of the Week

Mahli- For her super Maths this week reading Pictograms and Tally Charts

Valerie- Showing the value of Responsibility and always trying her best in all lessons

Attendance

Our attendance target is 98%
Last week's attendance was 89%
Let's try and improve next week!

Wind in the Willows 2022

As you probably all know, this years school play is Wind in the Willows. The children have been practising really hard and the singing is amazing!

Our play will be held on Thursday 21st July in Charleton Village Hall
There will be an afternoon Dress Rehearsal at 2pm which parents are welcome to come along to. Then the main performance will be at 6.30pm. More information about tickets etc will be sent out next week
