# Croft Class

Weekly Newsletter

Friday 1<sup>st</sup> June 2022

## Reading

Please encourage the children to bring their reading records to school. It is wonderful to see which books they are reading and to share their favourite characters and stories with them.

## White Rose Maths

For your information, White Rose have released a series of videos with Michael Underwood which are extremely useful for parents. The videos are only 5 minutes long and come with a guide alongside.

<https://whiterosemaths.com/for-parents/maths-with-michael/>

## Times Tables

The class of Croft have logins and passwords to enable them to practise Times Tables Rockstars and Numbots at home. Please encourage this as much as possible. Memorising times tables makes it far quicker and easier for children to work out maths problems in their heads. Moving beyond using their fingers to work out answers, they'll gradually be able to use their knowledge to quickly solve any multiplication questions.

Parents Evening - Monday 11th & Wednesday 13th July

This will be an opportunity to meet with your child's class teacher to discuss their reports which will be sent out on Friday 8th July. We are pleased to be able to return to holding these appointments in person and there will be an opportunity for you to look at your child's books and learning. Invites to allow you to book your slots will be sent out on Monday

Dear all,

Another fabulous week at school, where we enjoyed many new activities. Summer term is always the best.

## This week

On Wednesday, we were very lucky to be invited to Brickfield Athletic track in Plymouth by Ivybridge college to take part in a series of track events. We competed against seven other primary schools in 100m, 200m, relay, standing long jump and the vortex throw. It was a fabulous opportunity to experience competing on a proper track. The children had an amazing time and it was a lovely day out. Although we didn't win any medals, we did have some who managed to come second in some of the races. They put their all into the events and it was clear that they were working their hardest even when the odds seem against them. Within our own team, we had some surprising results, with

Meredith showing amazing aim and distance in the vortex throw and Laila managing to jump an impressive 1.83 m in the long jump. I was so proud of the way they conducted themselves that day and they proved to be excellent role models for our school.

On Thursday, Year 6 had their induction day at KCC. They returned buzzing and excited, ready to move on in September. Meanwhile, Year 5, were joined by what will be their newest class members: the current Year 4 and 3s. It was wonderful to welcome them into their new classroom and we look forward to having them in our class next school year. We began the day playing rounders with the wonderful Miss Worden. Year 3 and 4 were given the opportunity to play the game according to the rules the older children have learnt, which is slightly harder. I noticed that they already had great listening skills and reflected on how to work better as team, which they were eager to put in place on the field. I could see that they already have great throwing and fielding skills. We will certainly have some great sport people next year. Afterwards, they all worked on projects where they all told me a little about themselves so that I can get to know them better. It was lovely to hear about their wonderful families, pets and hobbies and can't wait to get to get to know them further.

Have a wonderful weekend!

Miss Wright

Star of the Week!

Star of the Week

Jamie Beau Wills for his great sportsman ship.

For friendship, **Dexter Ting** for being so caring and supportive on the residential

**Attendance**

Our attendance target is 98%

Last week's attendance was 92%

Let's try and improve next week!

**Dates for your Diary**

Wednesday 6<sup>th</sup> July – Whole School Beach Trip
