Home Learning:

Home learning consists of reading Maths and curriculum-themed projects.

Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers with a love of books. Your support with reading is essential. This week your child will be bringing home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

Play

Letters for costumes will be coming out next week, if we could have them in school by Friday 16th July

If you have any cardboard boxes for scenery we would appreciate them as well

Parents Evening

Monday 11th & Wednesday 13th July

This will be an opportunity to meet with your child's class teacher to discuss their reports which will be sent out on Friday 8th July. We are pleased to be able to return to holding these appointments in person and there will be an opportunity for you to look at your child's books and learning. Invites to allow you to book your slots will be sent out on Monday

Dear all,

I hope you have all had a lovely week!

Wow, what another busy week in Goodshelter!

On Monday and Tuesday Year 4 had their residential at Forest and Beach with Pete, West Alvington and Thurlestone. They spent a lot of time in the Forest Area at Forest and Beach which had everything from a fully equipped mud kitchen, fire making, zip slides, swings, and hammocks. It was so much fun. On Monday we walked from the site to Beesands beach where we had Fish and Chips followed by Ice Cream, which was delicious, we then walked back and played a few games by the fire. Once we had got ready for bed we then went on our Bat Walk and were lucky enough to have a bat fly right over our head! On Tuesday, we had breakfast in the barn and then spent the rest of the day in the Forest School area and playing archery.

This week we have also had our Shuffle up Day which meant the Year 3's joining Croft for the morning and Reception and Year 1 joining the Year 2's. We had so much fun and I know everyone is feeling very excited about next year. We even got to have a game of rounders together.

In RE this week, we have been thinking about the Synagogue as a sacred place for Jewish people. We watched a video that gave us a tour around a Synagogue and then had to identify some of the main objects that you may find and why they are so special.

We have also been doing lots of rehearsals for the play this week and it is really coming together, we cannot wait to show everyone!

Have a lovely weekend.
Miss Alen
