Home Learning:

Home learning consists of reading Maths and curriculum-themed projects.

Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers and love books. Your support with reading is essential. This week your child will bring home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

Home Learning

In Geography Year 1 and 2 are learning about Kenya and Year 3 about Mexico. Can you make a poster about this country?

Dear all,

I hope you all had a lovely bank holiday weekend and looking forward to another one to celebrate the Coronation.

Another lovely week that we have had in Goodshelter!

On Wednesday we had a Coronation Day. We started off by learning all about the coronation and what happens and then had a go at designing our own Coronation cakes and describing how we would make those cakes. There were some very nice designs and lots of yummy-looking cakes. We then wrote an acrostic poem using the word Coronation as our starting letters. Finally, in the afternoon we made our own crowns to wear to our Coronation picnic.

As Global Citizens this week we have been learning the Shema prayer and the importance of it to Jewish people. We had a go at reciting it ourselves and then looked at the prayer to think of symbols. Next to each line of the prayer we drew a symbol that we thought represented that part of the prayer.

As scientists this week we were being investigators and finding out answers about animals and living things. We were thinking about their needs such as food, water, and air.

Have a lovely bank holiday weekend.

Miss Alen
