Friday 12<sup>th</sup> May 2023

## Home Learning:

Home learning consists of reading Maths and curriculum-themed projects.

## Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers and love books. Your support with reading is essential. This week your child will bring home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

## Home Learning

In Geography Year 1 and 2 are learning about Kenya and Year 3 about Mexico. Can you make a poster about this country?

Dear all,

It has been a different week this week due to year 6 having their SATS which meant having different days, and different breaks and some of us have even been in different classes. I am so amazed at how everyone has taken this on in order to support our fellow school members. We are all super proud of how amazing the year 6's have been this week!

We did get an extra forest school this week because of all the changes which was a lot of fun! Year 2 and 3 joined the year 4 and 5 children on Wednesday morning and they went on a welly walk to the marsh, despite the mud it was a lot of fun! In the afternoon year 1 joined Start Point and Beesands in the adventure when they cooked Pizza!

As Historians this week we have carried on our learning of Florence Nightingale, this week we have been thinking about her role in the Crimean War when she first became a nurse. We learnt all about the route that she took and when this happened. We also placed her life on a timeline along with some other aspects of history that we learnt in the past, for example, Sir Francis Drake.

As scientists this week we have continued our learning on animals' basic needs, this week thinking about the food that animals need to live. We had a go at creating a menu for different animals using the food that they eat.

Have a lovely weekend.

Miss Alen

Avalon and George for a super start to our school 😊

### Attendance

Our attendance target is 98%  
Last week's attendance was 99%

### Dates for your Diary

Monday 8<sup>th</sup> May – Bank Holiday  
Monday 15<sup>th</sup> May – Whole School Photo  
Friday 26<sup>th</sup> May – Non Pupil Day  
Monday 29<sup>th</sup> May – Friday 2<sup>nd</sup> June – HALF TERM  
Monday 5<sup>th</sup> June – Back to School

### Eco Club

On Friday 19<sup>th</sup> May at 2.45, Eco Club will be holding a cake sale, clothes sale and drawing competition to help raise money for WWF to help save the polar bears 🐻❄️, chosen by the children.  
I hope you can come and if you have any cakes or clothes to bring that would be amazing 🙏
