# Beesands and Start Point

Weekly Newsletter  
Friday 14<sup>th</sup> July 2023

## Reading in Start Point

We change reading books on Fridays. The children will get 2 books to bring home. Please keep the reading books in their book bags and bring them in everyday. If they struggle with a word please help them 'sound out' the word by saying the smallest part of the word eg c-a-t. You can make it enjoyable by talking about the book eg "What do you think will happen? What would you do?"  
Thank You

Dear all,

This is our last newsletter for this academic year. What a great year it has been, when we look back at all the learning and experiences the children have had over the year we realise how much we have done. We had apple pressing and Harvest in the Autumn, writing letters and posting them, a trip to the cinema and the Christmas show. In the Spring term we had forest school, a trip to the zoo and a visit from the theatre company. In this term we have had forest school, sports day, the summer show, the amazing weather so we could take our learning outside, and of course lots of baking throughout the year!

This week we have continued to learn about birds. We have looked closely at different beaks which helps us to know what food the birds eat. We went to the bird hide near the foreshore with forest school and we saw a swan and an Egret.

## Oxford Owl

You can access a range of ebooks linked to our RWInc sessions and lots of other fabulous stories by logging onto Oxford Owl for Home!

It is free to access all of the books, and there are also loads of different activities you could try at home too!

I'd love to see how you get on - feel free to share any photos or videos!

Password: startpoint

In maths we have continued our learning on doubles.

In phonics we are continuing to consolidate all the previously taught sounds.

Please return any reading books before the end of term.

In RE we are continuing to learn about special books and this week the focus was on bibles. We talked about why it is a special book for Christians. We read the 'Calming of the Storm' and looked for the story in other copies of children's bibles.

The summer show was amazing, well done to all the children, parents and staff who made it such a success. Mrs Sanders and I are very proud our children who were the best jesters we have ever seen!

Have a wonderful weekend.  
Mrs Carter and Mrs Sanders

Star of the week goes to all the children in Beesands and Start Point for their amazing performance in Hoodwinked

## Attendance

Our attendance target is 98%  
Last weeks attendance was 94%
