HOME LEARNING

Home Learning:

Home learning consists of reading Maths and curriculum-themed projects.

Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers and love books. Your support with reading is essential. This week your child will bring home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

Home Learning

Dear all,

What an amazing week it has been!

The play was an absolute success, and I am so proud of every single person. Everyone has worked so hard putting it together and, in the rehearsals, and that hard work definitely paid off!

We have had a well-deserved break today and watched the film of Robin Hood with some popcorn which was a lot of fun.

This week we have finished off our writing piece which has been a story based on George and the Dragon. We had to come up with our own character, creature and setting. We then used our own adjectives and similes to add into the story.

As artists this week we have been planning our final piece based on Kandinsky using lots of different shapes. We used 2D shapes to plan where we were going to place them in our art work and what colours we were going to use.

We are very excited about all of the exciting things that we have coming up next week, including the beach trip and the leavers service.

Have a lovely weekend.
Miss Alen

The whole school for the amazing school play!

EVERY day
counts
attendance matters

Attendance

Our attendance target is 98%
Last week's attendance was 97%
