Reading in Start Point

We change reading books on Fridays. The children will get 2 books to bring home. Please keep the reading books in their book bags and bring them in everyday. If they struggle with a word please help them 'sound out' the word by saying the smallest part of the word eg c-a-t. You can make it enjoyable by talking about the book eg "What do you think will happen? What would you do?"

Thank You

Oxford Owl

You can access a range of ebooks linked to our RWInc sessions and lots of other fabulous stories by logging onto Oxford Owl for Home!

It is free to access all of the books, and there are also loads of different activities you could try at home too!

I'd love to see how you get on - feel free to share any photos or videos!

Dear all

Time is flying, its July already!

This week we have been learning about birds. We have begun to learn about the different types of birds in the UK, recognising and naming common birds. We have learnt that birds are oviparous, ask you children if they can remember what that means. Next week at forest school we are going to walk to the marsh for some bird spotting.

In maths we have been doing lots of counting and recapping our knowledge of doubles.

In phonics are continuing to consolidate all the previously taught sounds. Please return any reading books so I can change them. I change reading books on Friday so please make sure they are in their bags on Friday. Thank You

In RE we are continuing to learn about special books and the reception children showed their special book from home or chose their favourite book from the class.

Sports Day was fabulous with perfect weather. We were so impressed by the younger children who all took part in the various races, the parents race was great too!

We have been very busy practising the show and both Beesands and Start Point have been joining the rest of the school in the hall for these practises. The children have been amazing, sitting quietly and listening and joining in when it's their turn.

Please bring in for Monday a bright coloured top, long sleeve if possible and trousers or leggings to wear under their jester tabard.

Next week we will be continuing to learn about different UK birds and how to recognise them. If your child has anything relevant to this it would be great if thy could bring it in to share with the class.

LOST!

The little white toy mouse from our classroom has gone missing. It maybe somewhere in the classroom but if you do find it at home could it be returned.

Thank you

Have a wonderful weekend.

Mrs Carter and Mrs Sanders

Star of the Week!

Star of the week goes to Ivy D for her maturing approach to our daily routines.

EVERYday
counts
attendance matters

Attendance

Dates for your Diary

Thursday 13th July – Whole School Performance
