

PE & SPORTS GRANT INFORMATION 2022/23

PE & Sports Grant Information	
Academy	Charleton C of E Academy
PE & Sports Grant Allocation September 2022– August 2023	£16,270

Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTI ON	IMPACT SOUGHT	OUTCOME OF FUNDING AS AT 31/08/2023
Engagement with Kinetic to offer Specialist PE support for Teachers.	£5,210.00	£5,210.00	<p>To develop subject knowledge for teaching staff on the delivery of high quality PE lessons.</p> <p>To develop the quality of existing PE teaching through continuing professional learning in PE for staff, so that all primary pupils improve their health, skills and physical literacy, and have a broader exposure to a range of sports.</p> <p>To develop teaching staff through an incremental coaching approach.</p> <p>Children to experience PE specialist to further develop their physical literacy and skill - building into sports games.</p> <p>Engage, enthuse and spark interest for children in PE and to further engage them in sports clubs outside of school.</p> <p>Support from sports leaders in school and events such as Sports Day. Increased opportunities for talent spotting across a range of sports, raising expectations of the children.</p> <p>Coaches providing one full afternoon of PE per week, plus an additional after school club and lunch club. Clubs, which are free to parents, providing children with opportunities to excel in</p>	<p>The partnership has been key in developing the teaching and learning of PE at the school and also providing further access to inter-school events where children have been inspired by trying new sports. Teachers are more confident in lesson delivery and have benefitted from specialist support in planning effective PE lessons. Team teaching alongside coaches from Kinetic has ensured that children have access to high quality teaching in a range of sports.</p>

			<p>different sports and providing pupils eligible for pupil premium (PP) with the same opportunities as their peers.</p> <p>Teachers have access to external CPD sessions to ensure they have the knowledge and skills to deliver high quality CPD back in school and to support teachers in their delivery of PE lessons.</p>	
Forest School provision	£3600	£3,600	<p>Children get to problem solve, develop teamwork and learn to take part in outdoor and adventurous activity challenges both individually and within a team.</p> <p>Children develop a love for being outdoors which will stay with them long beyond participation in team sports is an option for them in later life.</p> <p>Children will have a good understanding of the links between Forest School sessions and the wider curriculum.</p>	<p>Forest school provision has had a huge impact on all of our children as it has enabled them to develop new skills and engage in further learning opportunities outside of the classroom. We have seen an improvement in children's wellbeing and through pupil conferencing, our children have been overwhelmingly positive about their forest school experience.</p>
Premier Sports after school and lunchtime clubs	£1000	£1000	<p>Further develop opportunities for children to engage in sports outside of school time.</p> <p>Range of clubs offered - including sports that children may not be able to engage in within the local area (e.g. fencing and archery).</p>	<p>Children have realised the possible as they enjoyed activities that they have not been involved in before: archery and skateboard hockey. The children learned new skills and developed their confidence, which impacted on their confidence and attitudes back in school. They developed their team building skills and demonstrated resilience as well as passion and enjoyment for new activities</p>
Supporting children to lead Healthy Lifestyles:	£2000	£2000	<p>Increased opportunities for PE/Sport at lunchtimes and afterschool will give increased</p>	<p>Children have built upon prior learning and can talk confidently about the importance of healthy</p>

				<p>eating, fitness and wellbeing. Children understand the importance of healthy lifestyles and the impact it has on their long-term health. They can make more informed choices about healthy eating, fitness and their emotional well-being. The children are better equipped to make healthier lifestyle choices. the key learning from the session. The children understand the importance of mental wellbeing. They were able to discuss the benefits of mindfulness and perform some mindfulness activities.</p>
--	--	--	--	---

			<p>opportunities for children to develop their health and fitness</p> <p>Games lessons – include SMSC development through teaching of: fair-play, co-operation, competition, respect.</p> <p>The new RHE curriculum clearly identifies areas which support children to lead healthy lifestyles, that is to be mentally and physically healthy. All children start the year with a topic focus on their mental and physical health.</p> <p>All children will have opportunities to learn age appropriate cooking skills which will enable them to stay fit and healthy throughout their lives.</p>	
Ivybridge Community College link	£50	£50	To strengthen the link between the local school community and enable children to engage in a range of competitive sports. This will include sporting competitions at specialist centres.	Working in Partnership with Ivybridge Community College has given our children the opportunity to engage in sports competitions with schools locally and across Devon. Children have had the opportunity to visit professional level sports facilities and take part in competitive events. Children have gained confidence and learned teamwork skills whilst taking part in competitions.
Travel to and from sporting events	£700	£700	To reduce and eliminate the travel costs for children to engage in sporting activities as representatives of the academies.	Children have been able to engage with sporting events off site e.g county athletics tournament and FA football tournament.
Swimming	£500	£500	Transport to and from the pool. Extra sessions for KS2 children to ensure they meet the curriculum requirements	Unable to take place this year

Additional before school clubs, after school clubs and lunch clubs	£2500	£2500	Further develop opportunities for children to engage in sports outside of school time. A range of clubs to be offered which will include sports and physical activity that children may not be able to engage in within the local area. Increased opportunities for PE/Sport both after school and at lunchtime will give increased opportunities for children to develop their health and fitness and mental health and wellbeing. Clubs, which are free to parents, providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers. Children will be provided with opportunities to develop their skills from an early age which will, in turn, allow them to continue to develop their fluency in this area as they progress through school.	Supported by experts providing quality delivery of PE through extra curricular activities has continued to be of a high standard. Children have been motivated to participate in extracurricular activities and developed interests in sports activity. Running lunchtime clubs free of charge continued to enable all children to attend. This has had a positive impact on both the physical and social development of our pupils This has given Increased opportunities for PE/Sport and afterschool will give increased opportunities for children to develop their health and fitness children have a sense of belonging and improved their self-confidence. Transferring new skills into PE lessons, the children have demonstrated increased confidence, engagement and ability. Quality PE lessons have helped support the children to improve their wellbeing and fitness
Resources	£3220	£3220	To leave a lasting legacy for PE. Pupils to enjoy their PE lessons. To improve their confidence and their physical and emotional wellbeing. To learn new skills.	New PE equipment has ensured that children have the full range of resources needed to access the PE curriculum and extra curricular clubs
Total	£16,270
