Home Learning

Home Learning:

Home learning consists of reading Maths and curriculum-themed projects.

Reading

Reading is key to everything your child will do in school. At Charleton, we want our children to be confident readers and love books. Your support with reading is essential. This week your child will bring home their home/school reading diary. Children are expected to read at least four times a week with a parent. Please record the name of the book your child has read and the pages they have read.

Home Learning

Play costumes

Dear all,

We had such a great day on Thursday having our Sports Day- it was so much fun! The weather turned out perfect and we all really enjoyed the activities. Thank you to everyone who supported us and the year sixes for organising the events as well.

We have been having lots of play rehearsals this week and we are now including the props and scenery, expertly made by Mrs Carter. It is coming on so well and we cannot wait to show you all next Thursday.

As writers this week we have all been writing about the story of George and the Dragon also linked to the film How to train your dragon. We have been using our amazing describing language to describe the dragon and the relationship between George and the Dragon. We are now going to be writing our own versions of the story but with a twist!

As global citizens this week we have been thinking about Golden Rule which is 'Treat others as you would like to be treated'. We discussed what that rule means and where we might see that happening in action. We then created some drawings and pieces of art that were linked to that rule. After this we created some thank you cards to share with each other and members of our family.

Have a lovely weekend.
Miss Alen

Star of the Week!

Star of the Week

Roo- For his great sportsmanship in PE
Valerie- For showing the value of friendship and always being supportive of others

Attendance

Our attendance target is 98%
Last week's attendance was 95.5%
Let's try and improve next week!
