Dear Families

Geography and History home learning

In Geography, we are learning about our local area. Please could you provide a photo of your front door the door number/name.

In History, we are exploring the concept of past and present. Please could you provide some pictures for us to help them understand the concept even further.

1. Some pictures of your child at different times in their life to show how they have changed. For example, from a baby up until present day.
2. 3 photos that show significant times in their life for example, starting school, getting a pet, moving house, a new sibling.

We will either need to keep these or we can photocopy for them to use in their book work. Please could these be brought in next week.

Thank you

Mrs Carter
