1. Introduction

1.1 The Learning Academy Partnership (hereinafter the Trust) recognises that photographs and videos add colour, life and interest to resources within our schools and articles promoting our school and the Trust. This can include, but is not limited to, the following:

- Displays within our schools of the children's activities
- School websites, including the Trust and All Saints Teaching School
- Printed publications
 - Prospectus
 - Posters
 - Flyers
 - Newsletters
- Social Media
- Press and media
- Banners

1.2 The use of photographs and videos can increase the children's motivation, boost staff morale and help parents and the local community to identify and celebrate our achievements.

1.3 In order to respect children's and parents' rights of privacy and because of potential safeguarding and child protection issues, all photographs and videos must be used and stored in a responsible way.

1.4 The Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share in this commitment. This policy seeks to achieve a practical balance to secure the above.

2. Scope

2.1 This policy is subject to, and should be read in conjunction with, the following Trust policies:

- Acceptable Use Agreement
- Code of Conduct
- Complaints
- Data Protection and Freedom of Information
- Safeguarding and Child Protection
- Social Media

2.2 This policy applies to:

- All staff
- All children
- All promotional materials

3. Legislation

3.1 Under the terms of the UK General Data Protection Regulations 2018 images of children or staff must not be displayed in a public place without consent. This includes publications such as the school prospectus, website or areas in the school where visitors have access.

4. Parental Consent

4.1 The Trust has a Photo Consent form that must be completed by the parents for all children within our school upon admission (see Appendix 1).

4.2 Staff should always check the up-to-date list, held by the school administrators, before publishing photos anywhere to ensure parental consent.

4.3 The consent you give will last for the duration of your child's time at school. However, if you wish to change any of the authorisations during this time, please use the appropriate form (Appendix 3) or contact the academy office.

5. Use and Storage of Media

5.1 Photographs and videos should be taken using Trust equipment only (cameras, iPhones, iPads, etc.). Staff should never use their own equipment to take photographs of the children.

5.2 Photographs and videos should not be stored on personal equipment, only on the Trust's secure servers/equipment.

5.3 Staff will only take and use photographs and videos of children in suitable dress to reduce the risk of potential misuse.

5.4 When a photograph is used a child will not be named, and vice versa. Occasionally names may be requested by local press to accompany a photograph. In these circumstances consent should be gained from the parents prior to publishing.

5.5 The Trust recognises that parents and family members may wish to record events, such as school plays, sports days, etc. to celebrate their child's achievements. Parents should be reminded that these records should remain private and for their own personal use and should not be shared on social media sites.

5.6 The Trust cannot be held responsible if parents allow their children to appear in publications relating to school activities or send photographs direct, without the Trust's knowledge.

5.7 The Trust may securely store and use photos of children for promotional purposes after a child has left a school, if the appropriate permission has been given.

6. External Photographers

6.1 Commercial and external photographers are invited into our schools on a regular basis to take official photographs of children, and these can often be purchased by parents. Such photographers will:

6.1.1 Sign in and wear identification at all times.

6.1.2 Never have unsupervised access to children.

6.1.3 Never solicit photo sessions outside the event or at a child's home.

7. Staff

7.1 As part of our commitment to safeguarding and to ensure staff are easily identifiable, all our teachers and staff on Trust premises and taking part in Trust activities are required to wear a photo ID badge and be displayed on our Staff Photo Boards.

7.2 This processing is necessary for the contract we have with you as members of staff / trainees / volunteers / trustees / committee members.

7.3 Your photograph(s)/words may be used to promote the activities of the Trust and may appear in any of our promotional material in printed or electronic form including websites, in multimedia productions, course leaflets, prospectuses, social media or press releases. Please note that websites can be seen worldwide and not just in the UK where UK law applies.

7.4 The Trust has a Photo Consent form that must be completed by all members of staff / trainees / volunteers / trustees / committee members (see Appendix 2).
